Rockingham County Public Library's Mission Statement and main function is to serve the Citizens of Rockingham. Policies are established to provide guidelines about how to select material and to maintain the currency and validity of the collection.

It is important that Rockingham County citizens understand that Library Board of Trustees' and staff take patron input seriously.

These forms or letters are included in the Policy and Procedures Manual:

- Citizen’s Comment on Library Materials
- Director’s Response to Citizen’s Comment on Material
- Request for Purchase Consideration
